Re: Curtis School Expansion CONTINUATION REQUEST
CPC-2020-1086-SPE-DRB-SPP-MSP-ZAD-SPR*
ENV-2017-3972-MND

Dear Commissioners:

The Federation of Hillside and Canyon Associations, Inc., founded in 1952, represents 46 homeowner and resident associations with approximately 250,000 constituents spanning the Santa Monica Mountains. Our mission is to promote policies aimed at preserving the natural topography and wildlife of the mountains and hillsides, allowing for their safe enjoyment by all the people of Los Angeles.

In this role we have been tracking the Curtis School's attempts at a master plan for over ten years. In reviewing the CPC agenda Item 9 description of the project, it appears that major changes – welcome changes – have been made to the project.

In light of these developments, the Hillside Federation respectfully requests a continuation of the hearing so that we can adequately review the lengthy Staff Report.

Sincerely,

Charley Mims
