Planner Tim Fargo gave him more documents. It is more than an expansion; it is a new project.  
  
its expansion.
  
- C. Mulholland Design Review Board Memorandum — Don Andres  
No update
  
- D. SB 9 and 10 Update — Jamie Hall  
Jamie Hall made a presentation to BABCNC. The city needs to incorporate exemptions that are in the law and make sure that ineligible projects don't proceed. A councilmember needs to make a motion to map the areas that are exempted.
  
- E. Flight paths from Burbank & Van Nuys airports - Travis Longcore  
Charley Mims asked Travis Longcore, President of BABCNC, to discuss effects of overflights and noise on the parklands and the people that use them. The MRCA has opted not to join the lawsuit objecting to the changes because it is a social justice issue. The request is to return the flight paths to original pending environmental review which was never done before the flight paths were changed. Without objection, the Federation will ask the MRCA to put the reconsideration of the item on their December agenda.

#### IV. **New Business**

- A. HR 1354 - Wendy-Sue Rosen  
  
HR 1354, by Congressman Ted Lieu, would extend the Santa Monica Mountains National Recreation Area south to include Santa Monica Bay to San Pedro, excluding the port. Senator Padilla wants to include the bill in his package. Wendy requested a letter of support from the Hillside Federation. The letter was supported without objection.
